

## WHY IT SUCCEEDS

Because It's For One Thing Only, and South Bend People Appreciate This. Nothing can be good for everything. Doing one thing well brings success.

Doan's Kidney Pills are for one thing only.

For weak or disordered kidneys. Here is South Bend evidence to prove their worth.

Mrs. A. Berkheiser, 1297 S. Michigan st., South Bend, says: "I and others of my family have used Doan's Kidney Pills with fine results. One of my family suffered for many years from kidney trouble and weakness across his back and the pains through his kidneys were severe. He saw Doan's Kidney Pills advertised and began using them. They relieved his suffering."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Berkheiser had. Foster-Milburn Co., Props., Buffalo, N. Y.

## SHIP IS DIVERTED TO BRITISH PORT

Vessel Was Carrying Cargo of Copper to Rotterdam — Charged That Goods Were to Be Delivered to Krupp.

WASHINGTON, Oct. 1.—That a vessel carrying a cargo of American copper to Rotterdam has been "diverted" by British warships to an English port was revealed Wednesday when Sir Cecil Spring-Rice, the British ambassador, called at the state department to discuss the seizure with Secy. Bryan. The name of the ship was not made public.

The British government does not regard its action as technically a seizure. Sir Spring-Rice facetiously referred to the incident as a "diversion" of the cargo to another port. It is admitted, however, that the ship was turned from her course under the guns of British war vessels.

It is claimed that the British discovered the copper cargo to be marked for delivery to the Krupp of Germany and Great Britain justifies its action on the ground that an American port cannot be made the base of war supplies for a belligerent. Secy. Bryan did not indicate what position the United States would take in the matter. A resolution of inquiry on the subject was introduced in the senate Wednesday by Sen. Smoot.

The British ambassador also took up the case of the English ship Chancellor which was detained by the American port authorities at Galveston because she suddenly changed her port of white paint to one of gray, which is one of the British war paint. Secy. Bryan did not take this incident seriously and at the request of Sir Spring-Rice, the Chancellor was allowed to clear in her new gray paint.

**QUESTION RAISED.**

LONDON, Oct. 1.—The vastly important question of preventing or permitting shipment of supplies which might ultimately be destined for the use of the enemy through neutral Holland is now before the British government and forms the basis of diplomatic negotiations between England and America and England and Holland. The question is of superior importance because it is not small part of the allies' plans to force Germany to her knees through cutting off her supplies. Therefore, England must decide upon a definite policy concerning the treatment of cargoes carried to Holland under neutral flags.

**How To Make the Quickest, Simplest Cough Remedy**

Much Better than the Ready-Made Kind and You Save 22c. Fully Guaranteed

This home-made cough syrup is now used in more homes than any other cough remedy. Its promptness, ease and certainty in conquering distressing coughs, chest and throat colds, is really remarkable. You can actually feel it take hold. A day's use will usually overcome the ordinary cough—relieves even whooping cough quickly. Splendid, too, for bronchitis, spasmodic croup, bronchial asthma and winter coughs.

Get from any druggist 2½ ounces of Pinex (30 cents worth), pour it in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you—at a cost of only 54 cents—a full pint of better cough syrup than you could buy for \$2.50. Takes but a few minutes to prepare. Full directions with Pinex. Tastes good and never spoils.

You will be pleasantly surprised how quickly it loosens dry, hoarse or tight coughs, and heals the inflamed membranes in a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, rich in guaiaicol, which is so healing to the membranes.

To avoid disappointment, be sure and ask your druggist for "2½ ounces Pinex," and don't accept anything else.

A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft.
